Anoka, MN 55303

Dear James:

As Director of GOCRA-PAC, and after conferring with the Board, I am pleased to extend to you GOCRA-PAC's endorsement for election to the office of Anoka County Sheriff.

This endorsement is based on your promise to implement a fair, responsive, and reasonable administration of the MCPA (Minnesota Citizens Personal Protection Act), carrying out your responsibilities faithfully and enforcing the Second Amendment rights of the citizen in accordance with Minnesota Law and the United States Constitution.

Additionally, it has recently been discovered that many sheriffs have been charging permit applicants fees that are far in excess of the actual cost to process applications. We thank you for publicly committing to investigate and rectify this situation and that you will implement a process for returning any such overcharges to Anoka County permit holders.

For your prior service as a principled law enforcement officer and administrator, and your promise to make major improvements in the policies of the Sheriff's office, you have our unwavering support in the upcoming 2010 election for Anoka County Sheriff.

Sincerely,

John E. Caile
